

## Corporate Challenge

**Saturday, April 25, 2026 | 8 am | Santa Clara University**

Looking for ways to drive employee engagement, foster corporate wellness, and give back to local youth? We invite you to join the [Heart & Soles Corporate Challenge!](#)

In this friendly competition within the [Heart & Soles Run](#), organizations of similar size compete to secure the largest team by race day. The winners in each category will earn an on-stage award presentation and bragging rights throughout the Bay all while giving back to local youth. All proceeds of the event are donated to our three race beneficiaries supporting youth health and wellness.

Creating a team is simple: let us know your company is “in” by reaching out to Katharina Tschirner at [katharinat@svlgfoundation.org](mailto:katharinat@svlgfoundation.org) or filling out the [2026 Corporate Challenge Registration Form](#). We will slot you into one of the following three categories based on the number of your local employees:

CATEGORIES	LOCAL EMPLOYEES
Small	1 – 100
Mid-Size	101 – 1,000
Large	1,001+

Once set-up, we'll provide you with custom registration links, a digital media kit and collateral to make internal promotion simple. We'll even come out to your company for an on-site registration event to help get your team signed-up!

Additionally, many companies choose to subsidize all or some of their employees' registration fees to help encourage participation. We can set you up with a custom coupon code to distribute during promotion and invoice you for the total number of registrations after the race. We also offer discounted rates for pre-purchasing registrations. Contact Katharina for questions regarding group pricing and coupon codes.

Visit our [website](#) to learn more about the Heart & Soles Run and the [charities](#) it supports.
