

FITTEST FIRM COMPETITION PRESENTED BY MARVELL

Join Silicon Valley's largest company fitness faceoff, the Fittest Firm Competition presented by Marvell. This competition within the **Applied Materials Silicon Valley Turkey Trot** pits companies of similar sizes against one another to build the largest team by race day. Teams earn bonus points for team members who make a donation. The winners in each category will be added to the perpetual Turkey Trot plaques, receive a branded company tent on race day, and earn bragging rights—all while contributing to the community and our race beneficiaries!

Team setup

Let us know your company is "in" by reaching out to Katharina Tschirner or filling out the 2026 Fittest Firm Registration Form. We will slot you into a category depending on the number of local employees. Once set up, we'll provide you with customized registration links, digital assets, and more to make internal promotion easy. We can also come out to your company for an on-site registration event or fair to help get your team signed up!

Employer Subsidy

Many companies choose to subsidize all or some of each employee's registration fees to help encourage company-wide participation. We provide you with a custom coupon code for your employees and invoice you for the total amount of registrations after the race. Discounted rates for pre-purchased registrations are also available. Contact Katharina for details.
